16. **Termination**: Either party shall have the right to terminate this Contract upon thirty (30) days' prior written notice to the other party. The receipt by Lessor of rent with knowledge of the breach of any provision of this Contract shall not be deemed a waiver of such breach.

This Contract may be amended only by written instrument, executed by both Lessor and Lessee.

23. **Invalid Provisions:** In the event any condition or provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such condition or provision shall in no way affect the validity of any other condition or provision herein if the invalidity of any such condition or provision does not materially prejudice either Lessor or Lessee in their respective rights and obligations contained in the remaining valid conditions or provisions of this Contract.

26. **Holding Over:** In the event Lessee shall hold over and remain in possession of the Leased Premises after expiration of this Contract without any written renewal thereof, such holding over shall not be considered as a renewal or extension of said Contract but shall create only a tenancy from month to month, at the option of the Lessor and subject to the terms Lessor considers appropriate, and which may be terminated at any time by Lessor upon thirty (30) days' written notice. Acceptance of rent by Lessor during the holdover period does not constitute that the Lessor consents to such holdover.
